FOUNDER & CHANCELLOR

PROF **PREM KUMAR KHOSLA**

An internationally renowned academician, with post doctorate in genetics from Oxford University, UK, Prof Khosla has added new dimensions to higher education and research in Indian Universities.

He has served as Vice-Chancellor, HPAU, Palampur (HP) and as Senior Scientific Advisor to the Government of Himachal Pradesh and has been responsible for guiding its science policy.

FOUNDER & PRO CHANCELLOR

VISHAL ANAND

An accomplished socio-entrepreneur & investor with over 22 years of diverse experience, Vishal Anand serves as the Founder and Pro Chancellor of Shoolini University.

As a Stanford University LEAD graduate, he brings advanced business acumen and strategic expertise pivotal for steering transformative growth.

Leveraging his CEO role at RNAVAXBIO and position as MD at Anand Investments, a diversified venture across sectors like education, research, media, retail, automotive, hospitality, and realty, he channels his vast expertise to drive innovation and progress at Shoolini University.

His extensive experience strengthens the university's vision, nurturing an environment for educational excellence and comprehensive growth.

FOUNDER & VICE CHANCELLOR

PROF **ATUL KHOSLA**

A **true iconoclast**, Prof Atul Khosla is on a mission to change lives through innovation in education. Renowned for his trailblazing approach, he leads Shoolini's charge with ground-breaking initiatives, pioneering innovative academic programs, revolutionizing pedagogical methodologies, and spearheading the creation of cutting-edge education technology platforms.

Armed with a BTech from IIT Kanpur and an MBA from JBIMS, Mumbai, Atul leverages over 15 years of strategic and entrepreneurial expertise, refined through tenures at industry giants like McKinsey and Oliver Wyman.

His unwavering passion and pioneering vision continue to shape Shoolini University as a beacon of transformative education.

BE A NEXT GEN
RESEARCHER

"There's so much support at Shoolini to help students achieve their potential. The kind of research opportunities we get even at undergrad level is perhaps the best in India, and truly world-class."

Mihir Sharma
BTech Biotechnology (SRP)

On top of developing skills and knowledge in state-of-the-art labs, our small class sizes make it easier for students to interact with and get support from professors.
